Subject: Status of Axles in ATRT 050 Machine – Working and Non-Working Conditions

Respected Sir,

This joint report is submitted to provide a detailed status of the axles of the ATRT 050 machine, highlighting both working and non-working axles, as observed during the recent inspection. The details are as follows:

Axles in Working Condition:

### **Power Car Unit:**

Front Bogie:

Axle 01 - FRONT AXLE (Part No. 0-2201030-0-15, Powered Axle) – Working

Axle 02-REAR AXLE (Part No. 0-2201030-0-16, Powered Axle) – Working

Rear Bogie:

Axle 03- FRONT AXLE (Part No. 0-2202030-0-15, Powered Axle) – Working

Axle 04 - REAR AXLE (Part No. 0-2202030-0-16, Powered Axle) – Working

### **Platform Unit:**

Idle Bogie: Both axles – Working

**Beam Car Unit:**

Rear Axle: Axle 10 (Part No. 0-2201030-0-16, Powered Axle) – Working

**Axles in Non-Working Condition:**

**Platform Unit:**

**Front Bogie:**

Front Axle: Axle 06 (Part No. 0-2201030-0-15) – Not Working

Rear Axle: Axle 05 (Part No. 0-2201030-0-16) – Not Working (under warranty, USFD failed)

**Beam Car Unit:**

Front Axle: Axle 09 (Part No. 0-2201030-0-15) – Not Working

**Summary:**

Total Axles: 10

**08 powered axle and 02 idle axle**

Working Axles: 7 (Axles 01, 02, 03, 04, 10, and both axles of the idle bogie)

Non-Working Axles: 3 (Axles 05, 06, and 09)

**Recommendations:**

Inspection and repair/replacement of the non-working axles (Axles 05, 06, and 09) to restore full operational efficiency of the ATRT 050 machine.

Coordination with the concerned maintenance teams to ensure timely availability of spare parts (Part Nos. 0-2201030-0-15 and 0-2202030-0-16).

Regular monitoring and preventive maintenance of all axles to avoid future breakdowns.

This report is submitted for your kind information and necessary action. Please advise on further steps to address the issue.

Thanking you,
